

TRISHA ROTH M.D., F.A.A.P.

If you are looking for additional help to cover your practice, I am offering my services as a board certified pediatrician. I am available to provide part time coverage of your practice including nights and weekends beginning this month.

Since 1983, I have been an Attending at Cedars. During the past 10 years, I have also provided locum tenens coverage throughout California. I have current malpractice insurance and am a provider for CSHA. I have been on the executive board of the local chapter of the American Academy of Pediatrics since 1998.

If you or someone in your network needs coverage in his or her office, please let me know. I am looking forward to hearing from you. The best way to contact me is taroht@aap.net. I will follow up with a call to your office next week.

Gratefully,

Trisha Roth, M.D., F.A.A.P
